Getting a dental plan is smart for good health. Getting a **HumanaOne Dental Prepaid C550 Plan** is smart for a lot more.

When it comes to dental insurance, there are two questions you may ask yourself: do I really need it? And is it worth the money? The truth is good dental health has a lot to do with good overall health. Routine cleanings can reduce the chance of getting gum disease. That's good since gum disease has been linked to serious conditions such as heart disease, diabetes, and stroke. So the answer is, having dental coverage is important.

Is it worth the cost? It is now. With a **HumanaOne Dental Prepaid C550 Plan** you'll get benefits and services at rates you can afford. That can help protect your budget as much as your teeth. And with the focus on preventive treatment, you can help keep your teeth healthy *before* any problems start.

Take a look at all you get:

- No waiting periods
- No annual deductible or maximum on benefits paid
- No claims to file
- Freedom to select any participating dentist as your primary care dentist
- 100 percent coverage on the following services when you visit a network provider:
 - Routine cleanings
 - X-rays
 - Topical fluoride treatments
 - Oral exams
 - Local anesthesia
- 25 percent savings by visiting in-network specialists like oral surgeons, endodontists, or orthodontists

You'll gain other benefits too. And we offer you genuine customer care backed by more than 30 years of dental experience. Our benefits are so easy to use and understand that 9 out of 10 of our members would recommend us to a friend.

Premiums range from just \$10 – \$16 a month for individuals.
